### **TOWN OF HERNDON PUBLISHES UPDATED RESTAURANT DIRECTORY**

*Distributed to Hotels, Businesses, Tourist Attractions in Town and Surrounding Areas*

Herndon, VA (May 6, 2009) – The Town of Herndon has produced an updated restaurant directory and map, listing more than 120 dining establishments located throughout the town's business and historic areas.

From casual to fine dining, from fast food to ethnic specialty restaurants, all are featured in the 4-color, display-sized directory. A comprehensive map of the town pinpoints the exact location of each featured restaurant in relation to Herndon's roads, parks, shopping centers and public spaces. Web addresses of listed restaurants are also included, as applicable.

"Residents and visitors alike to the Town of Herndon are always amazed at the vast selection of restaurants available here – literally, something for every taste and every price range," said Mayor Steve DeBenedittis. "The updated restaurant directory and map provides information on the town's array of dining options, all in one convenient place."

Produced by the town's Public Information Office, the directory is distributed via hotels, attractions, public facilities and the HR departments of local businesses – both within the Town of Herndon and in adjacent markets including Sterling, Reston and communities surrounding Dulles Airport. Directories are also available through tourism centers located throughout Northern Virginia. Additional copies are available at the Herndon Dulles Visitor's Center; businesses requesting multiple copies may call (703) 435-6800 X2084 or email [information@herndon-va.gov](mailto:information@herndon-va.gov).
